

Warranty explained

With Carvago Guard, you'll get a manufacturer-like warranty. Any car you buy from us will be automatically covered by our standard 6-month warranty that can be optionally extended to up to 3,5 years. We have covered not just you but, crucially, every critical component of your vehicle, giving you the peace of mind to enjoy stress-free driving.

What you'll find in this document

We know that peace of mind is priceless. That's why we've prepared a comprehensive Carvago Guard warranty package for you, covering every critical component that might cost thousands to repair or replace. Click on the categories below to learn the details of our Carvago Guard warranty coverage.

How does it work?

Like a new-car warranty

Power unit

Supercharging

Steering and brakes

Electrical system

Heating and air conditioning

**Transmission, differential and
power transmission**

**Fuel system and drive control
system**

Exhaust system

Cooling

Safety

Carvago Guard also covers parts that are expensive to repair

Power unit

- crankshaft
- crankshaft bearings
- connecting rods
- connecting rod bearings
- ✓ • pistons
- piston rings
- piston pins
- cylinders
- camshaft
- camshaft bearings
- rocker arms
- cam couplings
- ✓ • intake and exhaust valves
- valve guides
- timing chain, belt
- timing chain guides
- timing chain tensioning bars
- timing chain sprockets
- oil pump
- ✓ • balancer shaft
- eccentric shaft
- ✓ • timing belt tensioner
- timing belt pulley
- ✓ • timing belt sprockets

Transmission, differential and power transmission

- ✓ • gear wheels of the gearbox
- differential gears
- main shaft
- countershaft
- auxiliary shaft
- synchronizing rings
- bearings
- ✓ • planetary gearbox
- primary shaft
- secondary shaft
- CVT belt
- oil pressure sensor
- check valve
- speed sensor
- clutch slave cylinder
- clutch master cylinder
- oil pump
- ✓ • hydraulic control unit
- ✓ • torque converter
- cardan shaft
- drive shaft
- drive shaft joints
- ABS sensor ring
- ✓ • ABS sensor

Carvago Guard also covers parts that are expensive to repair

Supercharging

- ✓ • turbocharger
- ✓ • compressor
 - compressed air intercooler
- ✓ • electron. turbocharger setting
 - turbocharger vacuum control
 - wastegate
 - blowoff valve

Steering and brakes

- ✓ • steering gear
 - power steering pump
 - electric power steering motor
- ✓ • power steering control unit
 - brake master cylinder
 - brake booster
 - pump
 - brake force limiter
- ✓ • electrically adjustable steering column
- ✓ • steering wheel ring
- ✓ • ABS control unit
 - speed sensor
- ✓ • hydraulic ABS unit
 - brake light switch
 - brake caliper
 - steering wheel lock
 - steering wheel angle sensor

Fuel system and drive control system

- ✓ • fuel pump
- ✓ • injection pump
- ✓ • pump-jet unit
 - injectors
- ✓ • engine control unit
 - throttle valves
 - throttle sensor
 - air mass sensor
 - air flow sensor
 - fuel flow sensor
 - fuel pressure regulator
 - temperature sensor
 - idle speed controller
 - knock sensor
 - camshaft sensor
 - crankshaft sensor
- ✓ • solenoid valves
 - intake manifold pressure sensor
- ✓ • swirl damper actuator
- ✓ • camshaft phaser
 - motor for camshaft phaser

Exhaust system

- lambda sensor
- ✓ • EGR valve
- ✓ • catalytic converter
- ✓ • NOX sensor
 - differential pressure sensor
 - exhaust gas temperature sensor
 - exhaust back pressure sensor

Carvago Guard also covers parts that are expensive to repair

Electrical system

- ✓ • alternator with regl. and freewheel
 - starter
 - electric window motor (side)
 - electric window switch (side)
 - electric window mechanism
 - ignition coils
 - ignition module/divider
 - windscreen wiper motor and rear. glass
 - horn
 - fuel level sensor
 - oil level sensor
- ✓ • sunroof motor
 - sunroof switch
 - door locks
 - boot door lock
 - electric window controls
- ✓ • sunroof mechanism
 - sunroof control
- ✓ • door handles for keyless unlocking
 - rear window heating elements
 - windscreen heating elements
 - rain sensor
 - relay/control unit for preheater
 - washer water pump
 - light sensor
- ✓ • seat heating control unit
 - heated seat covers
 - seat heating switch
 - parking distance control
 - front and rear ultrasonic sensors
 - hydraulic cylinder for folding roof
 - hydraulic pump for folding roof
 - folding roof control unit

Cooling

- engine coolant
- engine coolant thermostat
- engine coolant pump
- auxiliary coolant pump
- ✓ • transmission oil/water heat exchanger
- ✓ • engine oil/water heat exchanger
 - automatic transmission oil cooler
- ✓ • EGR cooler
 - engine oil cooler
- ✓ • visco radiator fan clutch
 - engine radiator fan thermostat
 - engine radiator fan switch
 - coolant temperature sensor
 - coolant level sensor
- ✓ • cylinder head gasket

Heating and air conditioning

- interior fan motor
- ✓ • heating and air conditioning control unit
- ✓ • air conditioning compressor
 - evaporator
 - condenser
- ✓ • air damper actuator motors
 - temperature sensor

Safety

- ✓ • airbags
 - seat belt pretensioners
- ✓ • airbag control unit
 - seat occupancy sensor
 - impact sensor
 - acceleration sensor
 - passenger deactivation switch
